

Upcoming Events at the North Shore Rape Crisis Center

Project BAR: We will be continuing in our efforts to prevent the use of date rape drugs and inform the public about their dangers. We have connected with 8 local bars to distribute cocktail napkins that provide information on common date rape drugs, as well as contact information for our center. Please see the link on our home page to learn more about this initiative.

Annual Raffle: Every year, the NSRCC works with local businesses to help collect much-needed funds to continue to provide services to sexual assault survivors and their loved ones. We will soon begin to contact local businesses to collect donations for the raffle, and will begin selling tickets in the fall. If you are interested in making a donation or purchasing raffle tickets, please call the NSRCC @ 978-927-4506 x206

Volunteer Training: We are always looking for caring, motivated individuals to join our team. We have a 36-hour training to certify individuals to volunteer as counselors on our 24-hour hotline. Other volunteer opportunities include fundraising, helping with mailings, distributing flyers, and tabling at health fairs. If you are interested in volunteering, please call the NSRCC @ 978-927-4506 x206

Support Groups: We are always taking referrals for many of our support groups. Please see the link on our home page for more information.

April is Sexual Assault Awareness Month: Every April the NSRCC supports raising awareness to prevent sexual perpetration and sexual victimization, and to overall end sexual violence. For more information on how you can help and/or events that are taking place, please contact us @ (978) 927-4506 x206.
